A: Simple.

- Visit our Web site at www.dell.com/eppbuy.
- Call us at **1-800-695-8133**, Monday-Friday 7:00am-11:00pm, Saturday and Sunday 9:00am-10:00pm CST and speak to an EPP sales consultant who will be happy to answer your questions, help you configure a system that's best for you, and even take your order.

Q: What payment options do I have?

A: There are two ways to pay for your new Dell system:

- Dell Financial Services offers the Dell Preferred Account³, an easy and convenient payment option that fits your budget! The process is easy, the application and credit approval is handled online or over the phone, and if you qualify, your selected computer system can be on its way to you within days. The Dell Preferred Account requires no down payment, no initiation fee, and no annual fee—and no minimum purchase is required.
- Dell accepts most major credit cards, including MasterCard, VISA, American Express and the Discover Card when you purchase online or over the phone.

Q: What about technical support after I purchase my Dell system?

A: Dell has a reputation for providing excellent technical support 24/7.

- At-Home service¹ is available on Dell Dimension and Inspiron computers. Usually we can fix your problem (online or on the phone/without a service call). If not, a Dell technician will troubleshoot with you online or over the phone to figure out if a part is broken. Then, if you need a part, the replacement part can be shipped for next business day delivery, and if necessary, a third party technician can be there to install it.
- Technical Support. We provide a toll-free tech support line that is available 24 hours a day, seven days a week for your Dell system.

Q: How do I become eligible for the Dell EPP program?

A: You already are eligible simply by working for your company. You'll be asked to verify your company when you order.

Q: Is there a way to track the status of my order?

A: Yes, indeed. Once you've placed your order and have received your order number, use Dell's online order status tracking system at www.dell.com. You can see at a glance where in the ordering, manufacturing and shipping process your new system is. Better yet, you can register online for Dell Order Status Service, which will alert you by e-mail when your new computer is shipped! Or if you don't have Internet access, just call us at **1-877-289-9334** to track your order.

Q: Does Dell offer a return policy?

A: Definitely. All purchases are backed by our Total Satisfaction Policy. Under this policy, you may return products that you purchased directly from Dell for a credit or a refund of the purchase price paid, less shipping and handling and applicable return fees as specified online. To return products, e-mail or call Dell customer service to receive a Credit Return Authorization Number within the return policy period applicable to the product you want to return. Some restrictions apply. For more information about Dell's Total Satisfaction Policy, please refer to: <http://support.dell.com/us/en/kb/document.asp?dn=1057731>
